

ComplianceControl Centre

A secure, on-line, cost effective oracle based system, providing a central repository of company compliance data with easy to use dashboard technology

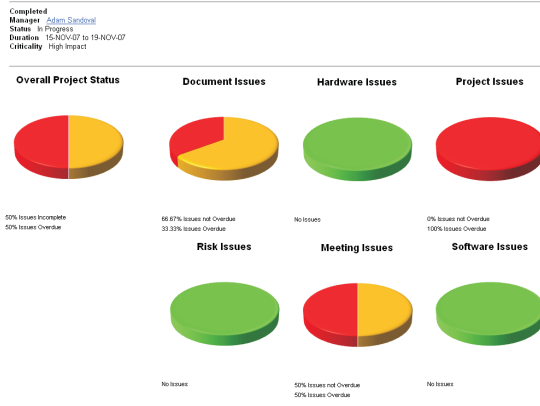

Features & Benefits

- ▶ Control of global and local mission critical compliance data
- ▶ Empowerment of key decisions with real time visibility
- ▶ Effective management of Key Compliance Indicators (KCIs)
- ▶ Manage conformance to industry requirements
- ▶ Cost effective benchmarked standards across an organisation

Monitor

Dashboard showing Key Compliance Indicators (KCIs).

Account	Monitor	Manager	Audits	Training	Configuration
Project Summary	Documents	Hardware	Software	Meetings	
Project Reference	Project Name	Department			
1.1.1.0001	Office Refurb.	Administration			
2.2.1.0001	Test number 4	Finance			
1.1.1.0002	Archive	Administration			
1.1.1.0003	Quarterly Meetings	Administration			
1.1.1.0004	Company Profiles	Administration			
1.1.1.0005	Sales Expansion	Administration			
1.1.1.0006	new Phone Line	Administration			

Manager

Secure, controlled and effective management of data at country, site, department or project level. Manager covers entry of all key compliance information related to project: documentation, software, hardware, change management, and any associated risks, meetings or issues.

Training

A simple and effective training records system which helps track and manage training within your organisation.

Forum

A central discussion repository held within ComplianceControl Centre, providing information and an intuitive search facility for more effective tracking of compliance

Audits

Integrated module for recording all internal, regulatory and third party audits and tracking their findings and corrective actions.

Alerts

Secure integration with your existing email system for automatic notification of issues, risks or overdue items.

cGARD

(current Global Automated Regulatory Database). Intuitive and exceptionally user friendly categorized repository of up-to-date global regulations.

21st Code of Federal Regulations Part 1 - General Enforcement Regulations - Revised as of April 5, 2008

1.1 Introduction

Subpart A--General Provisions Sec. 1.1 General

(a) The provisions of regulations promulgated under the Federal Food, Drug, and Cosmetic Act with respect to the doing of any act shall be applicable also to the causing of such act to be done.

(b) The definitions and interpretations of terms contained in section 201 of the Federal Food, Drug, and Cosmetic Act shall be applicable also to such terms when used in regulations promulgated under that act.

(c) The definition of package in 1.20 and of principal display panel in 101.11, 201.60, 501.1, 701.10 and 801.60 of this chapter, and the requirements pertaining to uniform location, text of qualification, and separation of the net quantity declaration in 101.105(f), 201.62(a), 501.105(f), 701.13(f) and 801.62(a) of this chapter, to initial statement of net quantity in 101.105(g) and (h), 201.62(b) and (c), 501.105(g) and (h), 701.13(g) and (h) and 801.62(b) and (c) of this chapter, to initial statement of net quantity in 201.62(b), 701.13(a) and 801.62(b) of this chapter, to initial statement of square inches in declaration of net quantity in 201.62(m), 701.13(p) and 801.62(m) of this chapter, to prohibition of certain supplemental net quantity statements in 101.105(o), 201.62(o), 501.105(o), 701.13(q) and 801.62(o) of this chapter, and to savings representations in 501.6 of this chapter are provided for solely by the Fair Packaging and Labeling Act. The other requirements of this part are issued under both the Fair Packaging and Labeling Act and the Federal Food, Drug, and Cosmetic Act, or by the latter act solely, and are not listed in their application by section 10 of the Fair Packaging and Labeling Act.
